DUMFRIES & GALLOWAY YOUTH COUNCIL ELECTIONS 2021

Cameron Greer (He/Him) Annandale East & Eskdale Ward Youth Councillor Candidate

I CARE ABOUT:

I will hold the council to account for their failure to tackle the climate crisis.

I will aim to make community councils youth-inclusive by the end of next term.

I will make sure young people have representation on council committees through their Youth Council representatives.

Over the past two years as Youth Councillor and then Member of the Scottish Youth Parliament, I've grown to be a strong representative. I refuse to be pushed aside by politicians and will always make sure my constituents' voices are heard.

I'm a strong advocate for action against climate change and am very vocal about the council's failures in this area: at the meeting between the council and the Youth Council, I questioned them on why they invest £31 million in fossil fuels.

I have the required strength and determination to make sure young people are involved in key decisions and to speak up when politicians aren't doing enough.
