# DUMFRIES & GALLOWAY YOUTH COUNCIL ELECTIONS 2021

## Riley True Lochar Ward Youth Councillor Candidate

### I WILL CAMPAIGN FOR:

Schools to include learning such as Finances and other Life Skills that will help Students after they leave school and enter the real world.

I want to push for more recycling inside of schools and around the town centre to help cut down on waste that goes to landfills.

I want to ensure that Lochar Ward has more activities in the area for youths to do.

I believe I would be a good councillor because I'm a person who is passionate in getting people's voices heard on a larger scale. I'm approachable, kind and caring who loves to get stuck in. I'm someone who is willing to put themselves forward to help those who need it and ensure that the opinions of people who live in my ward are listened to by those making the important decisions.

## Briony Thomson (She/Her) Lochar Ward Youth Councillor Candidate

### I CARE ABOUT:

I'd like the local community to be more aware of people with additional support needs, ensure people with additional support needs and disabilities have the proper visibility.

I would also like to develop local arts/humanities based events and workshops to further connect the community.

I have previous experience as a Youth Councillor and treated my role with enthusiasm and dedication. I'm also keen to work with the community and have been involved with local writing workshops throughout the years.

## Caitlin McClune Lochar Ward Youth Councillor Candidate

### I CARE ABOUT:

I want to improve leisure and sport activities for young people in Dumfries and Galloway so they are accessible to everyone.

I want to make life skills a part of the school curriculum so when you leave school you have the tools to succeed not just academically.

I want to raise awareness of mental health and make it more accessible for young people.

I want to be a youth councillor to share young people opinions and thoughts to people who can make the changes young people want for their future. I am confident, hard working and want to represent everyone views not just my own.
