#### I CARE ABOUT:

I care a lot about LGBTQ+ young people, my community and making sure young people are treated fair by adults in our area.

- Providing a safe space for LGBTQ+ pupils at break and lunch times
- More fun days throughout the year for the whole community to get involved in
- Make my community more welcoming for young people

I aren't afraid to speak up on other people's behalf and I'm happy to talk to folk about what they want to see happen in our community and I will do my best to make sure stuff happens.

## Emily Allen

### Mid & Upper Nithsdale Ward Youth Councillor Candidate

#### I CARE ABOUT:

1. I really care about the littering in the area ex. The playing field, the two parks in Thornhill.
2. I think that there should be a more fun/ exciting way for people to learn their rights.
3. I think that kids should have a better chance to start playing instruments and that it would help their education as well.

I would like people to vote for me as I am someone who can make a real difference and really cares about what they're doing.

## Grace Brydon-Brown

Mid & Upper Nithsdale Ward Youth  
Councillor Candidate

### I CARE ABOUT:

The negative impact littering is having on our natural and agricultural environment.

I will raise awareness about this, encourage people to recycle and use multi-purpose bottles and I will help people to realise the impact they are making on animals and humans.

I want to give young farmers and children a chance to raise their voices about this world-wide problem and it needs to start now!
