# VOTE FOR KARRAM

## I CARE ABOUT:

- Making changes in my neighbourhood and community.
- Climate change and the impact it has on our world, I also care about making and decreasing my carbon footprint.
- Inspiring young people to change for the better and make better decisions for themselves.

## WHY YOU SHOULD VOTE FOR ME:

Voters should support me because I'm willing to chair committees, serve as a voice for the youth population in Lochar ward. Since not everyone enjoys canteen food, I'll be concentrating on the topic of utilising young Scot cards in stores and public areas.
